She acted so violent toward number 1, that's why she was punished
That's the game rule
How about you worry yourself number 2?
Number 5 totally deserved that

Number 4 !! Were you the one?!
Hah?!
I devised the plan and even took up a disadvan tageous game starter!
Isn't this too much?!
How dare they trick us?!
What do I do?
Because this problem surfaces after your turn!
Why didnt you suspect number 2 and 5?
Now it my turn...
I will be able to abandon my past and move forward...
If I gather all the required tokens,
Can I... really do that?
